Philip Mosely, thirty-three years old, and Arthur Snyder, twenty-seven, who said that they lived at 3013 East Broad Street, this city, were arrested yesterday in Baltimore for a trifling offense, according to a dispatch received last night by The Times-Dispatch. When they were searched at police headquarters they had checks in their possession, which were drawn on Richmond banks. Letters were found on Mosely from a Richmond firm notifying him that a check of his had been returned by the bank. This led to the supposition that they may be wanted in this city, and Chief of Police Werner was communicated with by long-distance telephone. He directed that the prisoners he held pending an investigation here.

Captain of Detectives McMahon said last night that there are no warrants for the arrest of the two men, but expressed the belief that one or more may be sworn out to-day.

RESOLUTIONS OF RESPECT

AT A MEETING OF THE BOARD OF directors of the Hebrew Home for Aged and Infirm, held Monday, January 26, 1914, the following resolutions were adopted:

When God, in His wisdom, took, Isaac Held unto Himself, sad indeed were our hearts. Isaac Held was associated with the active management of the affairs of the Hebrew Home for Aged and Infirm since its inception, and none contributed more generously of their time and substance than he; therefore we face his death with feelings of deepest grief. Not alone do his associated officers recognize their personal bereavement, but the beneficiaries of the Home lose an active, loving friend, who was ever gentle and kind in ministering to their wants.

Therefore be it resolved: First, Therefore be it resolved: First, That we feel that in the death of our lamented secretary, Isaac Held, the Home has sustained a great sorrow and an irreparable loss.

Second. That our sympathy pours forth to his bereaved wife, children and loved ones.
